

The sun has got it's hat on!  
After a long and dreary winter, summer has appeared.  
Praise the Lord for the new growth we see all around us as His creation blooms and flowers.

## TEAR FUND CONNECTED CHURCH: Visit to Nepal

Yes it is happening! After much prayer and planning it is now less than 3 months till a group from CCW will travel 4566 miles to visit Nepal to connect with not just Taerfund but with the Anandit Fellowship and Pastor Milan. Campbell and Glen; Sue and Alan Knight plus Richard Fogg will fly out to Kathmandu on September 1<sup>st</sup> and will be joined by Sarah from Tearfund for the visit to our Connected Church partner between September 9<sup>th</sup> and 14<sup>th</sup> before returning to Wrexham on September 18<sup>th</sup>. More information (and Prayer Pointers) will be given to the Fellowship as we approach the departure date.

### Street & School Pastors

A new Co-ordinator has been appointed to lead the work, Laurie Searle, so remember Laurie in your prayers. Praise God for enabling us to quickly form a good relationship with the new headteacher at Rhosnessni High. Praise God for increased financial income in 2018 with ongoing prayer for wisdom and provision as we address the ongoing challenge of adequately financing the charity.

## Good News Foundation Hungary

Kori and Sylvi will visit the UK for a retreat and rest in early August. They will be staying with Russ & Lesley and **will visit CCW on Sunday August 5<sup>th</sup>** after an overnight stay with Gareth and Jean. Russ & Lesley are visiting GNF in October for one month and Moira is likely to visit with a schools and prophetic art team in November.

Later in 2018 we will be hosting Szabina Varga, a 24 year old Hungarian physiotherapist, who is part of the Upper Room Movement. She will be arriving on November 6<sup>th</sup> for a 3 month period and she will serve as a volunteer at CCW and also in a few town wide compassion ministries in Wrexham.

Pray for rest and recharging for Kori during his visit.

Pray that all the arrangements for the planned visits to GNF will go smoothly and for the health and strength of those travelling.

## FUNDATIA INCREDEREA: Summer Camps

The teenagers camp is nearly upon us with 54 young people booked to attend the camp between July 1<sup>st</sup> and 7<sup>th</sup> in Buteni some 100 kms from Oradea. A huge thank you to everyone in CCW who has contributed financially to allow so many to attend. There is the younger childrens' camp to come in August so there is still time to contribute and the kids attending the second camp will all come from really poor families so any donations will be greatly welcome.

Why do we feel that the camps are so important? Here is a very recent message from Ligia Popoviciu: "One day I was thinking about how can we be relevant for this generation of young people. I was praying and God surprised me the next day. I received a message from a young man that was in the Camp with us 5 years ago. Now he works in London. He wrote me a long message saying how God changed his life through our camp and through us. It was a miracle for me to see the answer from God so clear and so prompt. God wants all these young people to know Him and it is His work not ours. We are just instruments in His powerful hands. During the 10 years since we organised such camps I saw many, many miracles and many life changed for better. God is great!"

## MARTINA AND TONY IN TURKEY

Greetings from Ankara. Summer holiday has started, but summer hasn't quite arrived yet. We still get showers most days. This coming Sunday there will be general elections. Please keep praying for this country, for God's purposes to be fulfilled.

Over the last years we've been fortunate to get our residence permits renewed without major problems, staying on a tourist visa. Right now the system is being tightened up. On his appointment with the immigration office Tony was told he cannot apply for a tourist visa again, he needs a reason to stay here.

Options are studying or finding a job. He's been given 30 days to come up with something. Some language courses can supply a 1 year visa. This is a feasible option as Tony has been doing Turkish classes over the last months anyway.

Another option might be teaching English conversational classes.

Please pray for doors to open and something to work out that immigration will accept. The deadline is July 6th.

Martina's appointment for residence permit renewal is coming up July 17th. There might be similar issues, and the hope it can be resolved by Tony securing his residence permit, and Martina also being covered by it. With this situation, our summer plans are up in the air. It looks like we won't get to the UK before the end of August.

Otherwise we continue in our ministries, Tony with refugee work, Arabic fellowship and one-to-one Bible study/discipleship, Martina with counselling, prayer ministry and the revision of the Journey Group material (we are working on session 12 right now, so almost there!)

Love and greetings,

Martina and Tony
